

# MATERIAL SAFETY DATA SHEET

HMIS Ratings	
Health	1
Flammability	2
Reactivity	0
Protection	X

## Chemical Product and Company Identification

**Manufacturer Information** Blue Ribbon Products, Inc.  
7687 Winton Drive, Bldg. 130  
Indianapolis, IN 46268

**Phone** (317) 972-7970 \* (888) 274-2266

**Emergency Phone** CHEMTREC  
1-800-424-9300  
FOR INTERNATIONAL CALLS  
(703) 527-3887

**Date Modified** 4/21/05

**Supersedes**

**Product Identity** Carnauba Hard Paste Wax II VOC

**Product Use** Automotive Reconditioning Product

## Composition / Information on Ingredients

Ingredient Name	CAS Number	Wgt. %	PEL-OSHA	Exposure Limits		Carcinogen
				TLV-ACGIH		
SOLVENT NAPHTHA, PETROLEUM MEDIUM ALIPH	64742-88-7	<50				No
KEROSINE, PETROLEUM	8008-20-6	<20		200 mg/m3 Application Restricted to Conditions in Which there are Negligible Aerosol Exposures		No
SILOXANES AND SILICONES, DI-ME Non-hazardous and other	63148-62-9	<5				No
Ingredients below reportable levels	Proprietary	25	N/AP	N/AP		N/AP

## Hazards Identification

### Potential Health Effects

- Skin** Prolonged and/or repeated skin contact with this product may cause irritation/dermatitis.
- Eyes** This product may cause irritation to the eyes
- Inhalation** Excessive inhalation of this product may cause headache, dizziness, blurred vision, nausea and vomiting.
- Ingestion** Ingestion of this product may cause nausea, vomiting and diarrhea.

### Hazard Statements

FLAMMABLE

## First Aid Measures

### First Aid

- Skin** For skin contact, wash immediately with soap and water. Immediately take off all contaminated clothing. If irritation persists, get medical attention.
- Eyes** Immediately flush eyes with plenty of water for at least 15 minutes. If irritation persists get medical attention.
- Inhalation** Move person to non-contaminated air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Seek medical attention.
- Ingestion** Do not induce vomiting. Call a physician immediately.

## Fire Fighting Measures

### Hazardous Combustion Products

Carbon monoxide, carbon dioxide and other hydrocarbon fragments.

### Extinguishing Media

Carbon dioxide. Foam (preferred), dry chemical, water.

### General Fire Hazards

Vapors are heavier than air and may travel along the ground to some distant source of ignition and flash back.

### Fire fighting Equipment/Instructions

Wear full protective clothing, including helmet, self-contained positive pressure or pressure demand breathing apparatus, protective clothing and face mask.

**Flash Point** 155° F Closed Cup

## Accidental Release Measures

### Containment Procedures

Eliminate sources of ignition.

### Clean-Up Procedures

Sweep up or gather material and place in appropriate container for disposal. Wash spill area thoroughly. Wear appropriate protective equipment during cleanup.

## Handling and Storage

### Handling Procedures

Avoid prolonged or repeated skin contact with this material.

### Storage Procedures

Do not handle or store near an open flame, heat or other sources of ignition.

## Exposure Controls / Personal Protection

### Engineering Controls

Ventilation is not normally required.

### Personal Protective Equipment

#### Eyes/Face

None normally required; chemical goggles if splashing or high-pressure system is used.

#### Skin

Use impervious gloves.

#### Respiratory

Not normally needed.

#### General

Use good industrial hygiene practices in handling this material.

## Physical & Chemical Properties

<b>Boiling Point</b>	N/AV
<b>Specific Gravity</b>	0.84
<b>Vapor Pressure</b>	1 mm/Hg @77 F
<b>Solubility (H2O)</b>	Insoluble

## Chemical Stability & Reactivity Information

### Chemical Stability

Stable under normal conditions.

### Hazardous Decomposition

Hazardous combustion products may include carbon monoxide, carbon dioxide and hydrocarbon fragments.

### Hazardous Polymerization

Will not occur.

### Incompatibility

None known.

## Toxicological Information

### Toxicological Information

No data available for this product.

## Ecological Information

### Ecological Information

No data available for this product.

## Disposal Considerations

### Disposal Instructions

Incinerate the material under controlled conditions in an approved incinerator.

## Transportation Information

### US DOT HMR Information

**Proper Shipping Name** Flammable solids, organic, N.O.S., (Petroleum Hydrocarbon)

**Identification Number** UN 1325

**Packing Group** III

**Hazard Class** 4.1

## Regulatory Information

## Other Information

### Disclaimer

NOTICE: The information presented herein is based on data considered to be accurate as of the date of preparation of this Material Safety Data Sheet. However, MSDS may not be used as a commercial specification sheet of manufacturer or seller, and no warranty or representation, expressed or implied, is made as to the accuracy or comprehensiveness of the foregoing data and safety information, nor is any authorization given or implied to practice any patented invention without a license. In addition, no responsibility can be assumed by vendor for any damage or injury resulting from abnormal use, from any failure to adhere to recommended practices, or from any hazards inherent in the nature of the product.
